Let us guide you through the complexities of the NAFTA management process

The convoluted, multi-layered complexities of the North American Free Trade Agreement (NAFTA) can seem an overwhelming obstacle to your business, particularly if it's not your passion. But with Cole International to guide you smoothly through the complicated compliance process, you'll see the obstacles disappear. Our compliance professionals are well versed in the ins and outs of the NAFTA Agreement so you don't have to be. Cole International offers you a comprehensive and compliance-focused approach with two levels of service – full and basic – to suit your company's needs.

Acquisition and Maintenance Program (Full)

This full-service program is designed for clients with regular, high-volume imports from vendors in Mexico and the United States. Cole International manages the complete process on your behalf. Services include:

- Providing a single point of contact for all NAFTA related issues
- Reviewing suppliers' certificates and seeking corrective action where necessary
- Providing technical support
- Updating your client database
- Maintaining certificates
- Identifying potential refunds
- Providing customized reports
- Invoicing annually

Limited Service Program (Basic)

For importers with the internal resources to properly manage and administer the NAFTA process, Cole International designed a basic service program to monitor certificates. Services include:

- Notifying importers when certificates have not been received
- Reviewing suppliers' certificates and seeking corrective action where necessary
- Invoicing monthly

Cole International also offers a waiver if you prefer to work directly with your suppliers and manage your own NAFTA certificates.

Benefits

- Eliminates noncompliance issues in the NAFTA management process
- Expedites the NAFTA management process
- Provides access to NAFTA management specialists to guide you through the process
